SYDNEY, AUSTRALIA / Monday 24 November, 2025 – Scuderia is celebrating its 30-year anniversary with a limited-time sale across its range of KW branded products, marking three decades of performance, innovation, and leadership in the automotive aftermarket.

As one of Australia's most established performance specialists, Scuderia's anniversary sale offers customers exclusive savings on KW Suspension products, renowned globally for their engineering precision, motorsport pedigree, and uncompromising quality.

“This milestone represents 30 years of passion for performance and long-standing partnerships with world-class brands like KW,” said Taj Elshaikh, Specialist Mechanic, Scuderia. **“To mark the occasion, we wanted to give something back to the customers and enthusiasts who have been part of our journey.”**

The 30-year anniversary sale delivers:

- Exclusive savings on KW Suspension products
- Access to industry-leading performance technology
- Limited-time offers celebrating three decades of excellence

With a legacy built on technical expertise and trusted relationships, Scuderia continues to set the benchmark for premium performance solutions across Australia and New Zealand.

The anniversary sale is available for a limited time only, reinforcing Scuderia's commitment to delivering high-performance products backed by experience, credibility, and passion.

About Scuderia:

Scuderia is an Australian performance automotive specialist with 30 years of experience supplying premium suspension and performance solutions. Known for its technical expertise and strong global partnerships, Scuderia represents some of the world's most respected performance brands, serving enthusiasts, workshops, and motorsport professionals nationwide.
